SEVENTEEN STATES READY

QUICK RESPONSE TO THE PRESIDENT'S SUNDAY NIGHT CALL

MILITIA CALLED TO DEFEND THE COLORS WAR WITH MEXICO ALMOST CERTAIN

New York, Pennsylvania and Illinois Troops Wanted Immediately to Strengthen the Lines Established on the Border by General Funston--Extreme Caution Urged to Prevent Open Rupture at This Time.

(By Associated Press.)
WASHINGTON, June 19.—When the secretary of war reached his desk seventeen states had announced that mobilization was in progress. The men will be held at state mobilization points until mustered into the federal service. Those not immediately desired for border service will probably be given a furlough of its entire force. Upwards of 100,000 men will be held under arms for probably a month.

(By Associated Press.)
SAN ANTONIO, June 19.—General Funston, it was said, would request the secretary of war to send him first the militia of New York, Pennsylvania and Illinois because he believes he can make practical use of them immediately. General Funston and staff are chiefly concerned for the present in maintaining the delicate balance between Mexico and the United States until the militia arrive.

No more raids on the border are reported, but anti-American demonstrations in Mexican towns and the feeling along the border

over Carranza troops is likely to precipitate a clash. Extreme caution is taken by American officials not to give cause for aggression.

General Funston has not yet decided on the disposition of state troops.

Congressmen in discussing the Mexican situation are virtually a unit in approval of the president calling out the militia.

(By Associated Press.)

LAREDO, June 19.—Reports state that about 6000 Carranza soldiers are stationed between Nuevo Laredo and Lampasos, a distance of less than thirty miles.

(By Associated Press.)

BROWNSVILLE, Texas, June 19.—Matamoros is rejoicing over the belief that a small body of Mexicans compelled 300 American soldiers to retreat into United States territory, according to reports. All is quiet in the vicinity of the border today.

Mediation Is Suggested

(By Associated Press.)
MADRID, Spain, June 19.—The Spanish press has received a message from the Spanish colony in Mexico City urging King Alfonso to attempt to avert war between Mexico and the United States. The selection of the king to arbitrate the difference is suggested.

NEW ARMY BILL TO BE RUSHED

CONGRESS EXPECTED TO ACT AT ONCE TO EXPEDITE THE ENROLLMENT

(By Associated Press.)

WASHINGTON, June 19.—A resolution making immediately effective the militia draft of the new army organization bill, under which guardsmen consenting to take the federal oath are immediately available for service anywhere, has been prepared, and probably will be presented to congress today.

CLASH AT MAZATLAN MEN-OF-WARSMEN

Mexican Embassy Requests Washington to Deny Shore Leave to Blue Jackets

(By Associated Press.)

WASHINGTON, June 19.—A communication to the Mexican embassy announcing a clash between American sailors and Carranza soldiers at Mazatlan has reached the Secretary of State asking that no men be landed from warships in Mexico in the present tense situation. The secretary of the embassy sought an engagement with Lansing for the Carranza representative, Minister Arredondo, but was informed that Lansing was too busy to make appointments for today.

It is learned that a reply to the demand of Carranza for General Pershing's withdrawal will be sent today. It is understood that the answer will inform Carranza that troops will not be recalled until the de facto government has demonstrated its ability to guard the border from bandits.

The embassy communication brought the first notice to the Washington government of trouble at Mazatlan.

MILITIA DIRECTED TO MOBILIZE BY ORDER OF PRESIDENT WILSON

(By Associated Press.)

WASHINGTON, D. C., June 18, 8:15 p. m.—President Wilson this evening called out the militia of every state for service on the border. Secretary Baker says it is to insure protection for all Americans, is not related to General Pershing's expedition and contemplates no additional entry into Mexico, except as it is necessary to pursue raiding bandits. Militia will be sent to the border whenever and as fully as General Funston determines. The troops will be mobilized at home stations.

TWO MEXICANS SLAIN IN FIGHT

Nevada struck the first blow in the Mexican war. The bloodshed occurred at Wabuska Saturday night when a Spaniard employed on the section crew of the Southern Pacific shot and killed two Mexicans. The Mexicans were slow in getting into action and the Spanish cavalier unlimbered his guns and had two scores to his credit before the enemy realized what was doing. Two other Mexicans beat a retreat and, as they fled, the Spaniard got their range and shot both in the backs. Neither was wounded seriously and recovery is only a matter of time. The shooter is at large with a posse in pursuit. The cause of the trouble is not known.
